Emergency Medicine Practice Special Report Physician CME Answer and Evaluation Form: Initial Evaluation And Resuscitation Of The Injured Child

Please print the following information clearly:

Name: ____________________________________________
Address: _________________________________________

Phone number: ____________________________
E-mail address (required): _______________________________________

Please write your email address clearly. Certificates will be sent by email.
If you need your certificate mailed instead of emailed, check this box: ☐

Please fill in the appropriate box for the correct answer for each question. The test questions appear at the end of the article. Each question has only one correct answer. Please make a copy of the completed answer form for your files and return this form to EB Medicine at the address or fax number below.

Please record actual time spent on this activity here, if less than designated time of 4 hours: _____

Accreditation: This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education (ACCME) through the sponsorship of EB Medicine. EB Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation: EB Medicine designates this educational activity for a maximum of 4 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Faculty Disclosure: It is the policy of EB Medicine to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices.

Earning Credit: To complete this form, you will need the Emergency Medicine Practice Special Report “Initial Evaluation And Resuscitation Of The Injured Child.” The test questions are included at the end of the article. To receive credit, read the article, complete this Answer and Evaluation Form, and mail or fax it to EB Medicine. You must complete both the Answer and Evaluation Form to receive credit. Results will be kept confidential. CME certificates will be delivered to each participant scoring higher than 70%. This activity is eligible for CME credit through August 1, 2012. If you have any questions, please call 1-800-249-5770 or e-mail ebm@ebmedicine.net. Incomplete answer forms cannot be processed.

1. [a] [b] [c] [d] [e]
1. The overall activity content was pertinent to my needs and expectations.
